

It's all about trust

TFS

TFS, with headquarters in Lund, Sweden, is the largest non-listed European clinical Contract Research Organization (CRO). Clinical services are provided by four business areas; TFS Explore™, TFS Develop™, TFS People™ and TFS Academy™, with annual net revenue greater than € 40 million, global operations in 21 countries, and 500 employees worldwide. Detailed information about TFS business areas, global locations and recent press releases can be obtained at www.tfscro.com

International Clinical Project Leader

TFS is a CRO with highly committed and competent employees, who either work as outsourced consultants at pharmaceutical or biotech companies, or work with project assignments in-house. As a Project Leader you will be managing local and international projects. You will be reporting to the Global Director Clinical Operations. The position is full-time and you will be located at one of our offices in Europe.

See attached Job Description for detailed information about the position.

Requirements/Qualifications:

- Suitable academic education in life sciences
- At least five years experience from the clinical trial area and at least 3 years experience from managing multinational clinical trials
- Excellent communication skills in spoken and written English are required
- Very good experience and understanding from project budget work, such as follow-up, invoicing, financial agreements, re-negotiation of current contracts and financial reporting internally and to the Sponsor
- Good social, organizational and leadership skills
- Ability to establish and maintain good communication with clients, cooperation partners and colleagues
- Medical Device experience is not requested for this position but would be valuable

Teamwork – Flexibility – Service are the core values of TFS, and we count on you as an employee to live up to these keywords.

TFS Trial Form Support will offer:

A dynamic and growth-oriented organization with a work environment distinguished by professionalism, integrity and responsibility.

Welcome to join us and to contribute in placing TFS Trial Form Support among the top 10 worldwide CROs. Your job will make a difference!

It's all about trust
